Subject: DEP Secretary letter about Dimock water

Hi Terri,

I received a copy of this letter from Pennsylvania Department of Environmental Protection Secretary Michael Krancer to EPA Region III Administrator Shawn Garvin this morning and plan to write an article about it today.

Would the EPA like to respond to the letter?

Thank you again. And, as before, if you can add any clarification on the situation in Dimock regarding EPA-arranged deliveries of water supplies and water testing, I'd appreciate it. (No one has yet offered an explanation of what happened to stop the emergency water deliveries apparently arranged by Rich Fetzer.)

Best,
